Blueprint Skilled Services, LLC ("Blueprint") will provide Client with employees according to Client's requirements. Client agrees that it is at all times responsible for Employee supervision, control, and work quality. Keeping our employees safe is our number one priority. Blueprint is a service provider, and not a General Contractor. It is Client's responsibility to supervise Blueprint employees and to assign them to duties that are consistent with their skill level. The operation of motorized vehicles will only be allowed with an insurance policy naming Blueprint as an additional insure.

Blueprint will determine employee's wages and benefits, and assume responsibility for employee's wage payment, related withholding and payroll taxes, and the maintenance of employee Workers' Compensation insurance, as required by state law. Client agrees to pay Blueprint for the services provided based upon the stated billing rates for the employees used. Blueprint will bill the Client weekly, and Client agrees that payment will become due within 7 days of mailing. Late charges will apply at 10% per month.

In the case of a dispute over an invoice, Client has 7 days to inform Blueprint of the dispute in writing. In the case of unsatisfactory work by an employee, you must notify Blueprint within the first day of the employee's assignment. If the Client uses the services of any Blueprint employee as a direct employee, independent contractor, or through any other firm other than Blueprint, within 6 months after the employee's assignment has ended, Client must notify Blueprint in writing and continue the employee's assignment through Blueprint for the following 6 months or pay a fee of 150 times the bill rate for that employee.

As part of the Service Agreement application process, Blueprint will obtain a credit report relative to the Client. By executing this Agreement, Client authorizes Blueprint to obtain such a credit history. If, in Blueprint's discretion, such credit report is poor, this Agreement will be void.

This agreement is binding with the signature of Client's duly authorized representative, and will prevail over any other agreement. If action is brought to enforce this agreement, the prevailing party is entitled to recover attorney's fee and cost.

On behalf of Client, I acknowledge and agree to the terms of this Blueprint Skilled Services, LLC Service Agreement. I certify that the statements and information supplied herein are truthful and accurate to the best of my knowledge. I further certify that I have authorization and authority to execute this Agreement on behalf of Client.
